Done everything looks good below is a response to each item listed.

- [redacted]
  - **All facilities present, I do not have a listing of all, like beds at jails etc.**
- [redacted]
  - **No issues**
- [redacted].
  - **Working no issues**
- [redacted].
  - **Looks good**
- [redacted].
  - **Looks good, I don't have the data to verify but gauges are working.**
- [redacted].
  - **All regional graphics match links pages look great.**
- [redacted]
  - **Don't see this has it been created, if not this would be a great addition.**

Randy and Robert,

This past spring/summer the modifications on the attached list were made to COTAS.

Mr. Upchurch would like for each of you to participate in the user acceptance testing of these changes. The COTAS test site is located at: [redacted] Please, submit a SAR to gain access to the COTAS test site by requesting the 'COTASTEST user group'. Let me know when you have submitted your SAR and I will set up a meeting to run through the modifications with you. Thanks.
